*Here is the finest ebook i have got read until now. It really is simplistic but excitement within the 50 percent in the book. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

## JAMES BROWN'S LIVE AT THE APOLLO

Bloomsbury Publishing PLC. Paperback. Book Condition: new. BRAND NEW, James Brown's Live at the Apollo, Douglas Wolk, In this remarkable book, Douglas Wolk recreates the evening of October 24th 1962, at Harlem's Apollo Theatre, an evening at the epicentre of Cold War tensions. An evening when James Brown took the stage to be faced by 1500 screaming fans - fans who thought they might well be dead within a week. Wolk reconstructs, in great detail, what took place (and was recorded) inside the Apollo that night: one of the tightest, most legendary performances ever put down on tape. 33 1/3 is a series of short books about critically acclaimed and much-loved albums of the last 40 years. Focusing on one album rather than an artist's entire output, the books dispense with the standard biographical background that fans know already, and cut to the heart of the music on each album. The authors provide fresh, original perspectives, often through their access to and relationships with the key figures involved in the recording of these albums. By turns obsessive, passionate, creative, and informed, the books in this series demonstrate many different ways of writing about music. (A task that can be, as Elvis Costello famously observed, as tricky as dancing about architecture.) What binds this series together, and what brings it to life, is that all of the authors - musicians, scholars, and writers - are deeply in love with the album they have chosen. Previous titles in this now well-established series have beaten sales expectations and received excellent review coverage - the third batch is sure to continue this success. More titles follow in the spring of 2005.
