Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Entomology for Beginners: For the Use of Young Folks, Fruit-Growers, Farmers, and Gardeners In preparing this little book the aim has been to make it generally useful to different classes of readers. Beginners in the study will find in it copious directions for collecting and preserving insects, how to form cabinets, how to mount insects for the microscope, and how to prepare them for study, as well as guides to the literature containing the description of species. While amateurs and dilettanti entomologists may find useful hints, the needs of those who wish to make a serious study of these animals have not been overlooked, and it is hoped that the book will be of some service in leading such students to pay more attention to the modes of life, transformations, and structure of insects than has yet been done in this country. The book is also designed as a hand-book for the farmer, the fruit-grower, and the gardener. Besides treating of the elements of the science and the means of ascertaining to what order and...
