Reviews

It is one of the most popular pdf. It really is full of knowledge and wisdom. It has been developed in an exceptionally easy way and it is just right after I finished reading through this publication by which it really altered me, altered the way in my opinion.

Brand New Book ***** Print on Demand *****.Excerpt from The Peoples of the Philippine Islands, Vol. 2 To treat of the folk-lore of such a country as the Philippines is no easy matter, or rather no simple matter, since the Philippine Islands are not inhabited by a single people, but by an agglomeration of tribes distinctive in physique, habits, religion and origin. Any single one of these heterogeneous tribes could afford sufficient material for a separate lecture. Hence my object will not be to give a minute and complete description of the Filipino races, but to confine myself to a mere aperçu of the customs of some of the tribes, while giving ampler detail as to others. I shall now refer to a map of the Archipelago and call attention to the fact that while these islands are for the sake of convenience divided into three groups: Luzon, the Visayas, and Mindanao, they really consist of a single great group of from 1200 to 1400 islands and islets, inhabited by a population of eight to ten million individuals. Without going deeply into the ethnology of the Philippines, I must say a few words about the racial differences of the interesting people with whom we are now occupied, in order that I may more readily be followed in my wanderings over the islands. No two authors of those whom I have consulted, agree as to the classification of the many different Filipino tribes. I have, therefore, adopted the one accepted by the U. S. Government, which recognizes three groups: the Negritos or blacks, the Indonesians and the Malays. Unlike the native races of America, the Filipino tribes have left us no monuments as evidence of...
