

## Near a Thousand Tables: A History of Food

By Felipe Fernandez-Armesto

Simon & Schuster. Paperback / softback. Book Condition: new. BRAND NEW, Near a Thousand Tables: A History of Food, Felipe Fernandez-Armesto, In "Near a Thousand Tables," acclaimed food historian Felipe Fernandez-Armesto tells the fascinating story of food as cultural as well as culinary history -- a window on the history of mankind. In this "appetizingly provocative" " (Los Angeles Times)" book, he guides readers through the eight great revolutions in the world history of food: the origins of cooking, which set humankind on a course apart from other species; the ritualization of eating, which brought magic and meaning into people's relationship with what they ate; the inception of herding and the invention of agriculture, perhaps the two greatest revolutions of all; the rise of inequality, which led to the development of haute cuisine; the long-range trade in food which, practically alone, broke down cultural barriers; the ecological exchanges, which revolutionized the global distribution of plants and livestock; and, finally, the industrialization and globalization of mass-produced food. From prehistoric snail "herding" to Roman banquets to Big Macs to genetically modified tomatoes, "Near a Thousand Tables" is a full-course meal of extraordinary narrative, brilliant insight, and fascinating explorations that will satisfy the hungriest of...
