Excerpt: .the time when Joseph became Pharaoh s minister and the commencement of the seven years of abundant crops was seven years. This section, being introduced into its proper place, makes it necessary that the interval between the close of the seven years of abundance and the time when J oseph s brothers came to Egypt to buy corn should be two years, and the time taken from their departure from Egypt until their return with their father and household about half a year, --more than fourteen months being spent from the time Joseph gave his message to his brethren to go and invite his father to come to him into the land of Egypt and the memorable epoch of the audience. The patriarch will have been nearly eighty four years of age when Joseph was born. Joseph died about forty-three years and five months after his father. The third section of Hebrew chronology is the space of time between the epoch of the Exodus and the laying of the first stone of the great Siriadic monument in Jerusalem by king Solomon. It measured 600 Nile years, as is recorded in the number afixed to the name of Shamgar, a hero who acted during the administration of Ehud the same part a Samson did afterwards during the administration of Eli. Omitting from this space its upper extremity (from the beginning of the reign of David to the foundation of Solomon s Temple), the remainder is...
