Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Not just fantasy, but a unique blend of clear-minded surrealism and mischievous earthy satire, directed to achieve a powerful end. Philip Goddard wrote five novels from 1990 to 1993, and *Forbidden Flood Warning*, the sixth and final novel was notionally half-written (early and later parts) in 1994, he then not being sure how to develop the intended major middle section. In 1995 he suddenly had other priorities, and so it came that the novel remained unfinished till he revisited it in 2015 to see if it would make a satisfactory short novel, with only a small amount of new writing to join the earlier and later sections and make an effective whole - and found that, from his perspective, it worked brilliantly and powerfully. In the early 1990s he was gestating as a significant symphonic composer, and he approached his literary works as though they were music compositions, indeed all his novels and some of his short stories and poems actually being the literary equivalent of complex, organically structured symphonies, in which ideas, phrases and even individual words are treated like melodic motifs in such a symphony. At that time his particular model of symphonic organization and structuring was the late symphonies of Sibelius and especially the symphonies of the 20th Century Danish composer Vagn Holmboe - though Goddard s own musical symphonies, when they did come, were more diverse in approach. Each of the novels defies standard (say, BISAC) categorization, overlapping equally with a number of categories - which means that labelling with any one of those categories would misrepresent the respective work. *Forbidden Flood Warning* - A biting, acidly humorous surrealistic satire upon religious fanaticism The...
