This fascinating book combines the creative fun of coloring with an exciting sense of discovery as it realistically portrays many facets of life during the Middle Ages, one of history's most dramatic and eventful periods. Forty-two authentically detailed drawings depict daily activities in castle, village, monastery, field, and forest, evoking the excitement and pageantry of tournaments, sieges, banquets, battles, and fairs. Whether the illustrations depict a lord playing chess with his son or a peddler selling his wares, the true look and feel of medieval life comes through, from architectural details to the particulars of dress at all levels of society.
