

The Reuniting of America Eleven Multicultural Dialogues

By Roy, Donald H.

New York, Bern, Berlin, Frankfurt/M., Paris, Wien, 1996. X, 264 pp., 1996. Book Condition: New. Multiculturalism raises the issue of what characterizes our unity as Americans. Specific issues are treated in dialogues: immigration policy; affirmative action; redistricting; IQ and race; feminism; hate/abuse speech; the handicapped; logos and symbols; whether English should be our official language; and multicultural education. These dialogues present the best arguments of the different sides and reveal how these sides might argue back and forth. A positive approach (reuniting America) rather than a negative approach (disuniting America), is followed.

Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- **Ally Reichel**

This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You wont feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).
