Learn - How Will Our Children Have Faith? builds on the Learn range of publications and begins a series of smaller study booklets for use by congregations of all denominations who want to ensure that children and younger people are fully included and involved in the life of their local church. Designed in the Learn style, the booklet consists of four group sessions that invite a deeper understanding of engagement with young people in church life, evaluation of your parish s needs, identification of specific local issues and, most importantly, offers a practical way forward. Invaluable for people in leadership roles, children s workers, youth workers and congregations, this booklet is for use sequentially, following each of the sessions in turn. Its format and content have been thoroughly piloted to ensure that this is a valuable resource. Highly accessible, beautifully designed in full colour and with a strong contemporary perspective, the sessions are short, informative, accessible and accompanied by questions for discussion and suggestions for further action.
