Authentic Media. Paperback. Book Condition: new. BRAND NEW, Covenant and Creation: An Old Testament Covenant Theology: 2013 (Revised edition), William J. Dumbrell, God's grace demonstrated in the biblical narrative through the lens of covenant. This study analyses the different divine covenants of the Old Testament and argues that they are closely related. The successive covenants, from Noah to David, are seen to express the divine purpose for humanity from the creation onwards. William Dumbrell interacts extensively with attempts to explain the significance of concepts such as the gift of the land, victory, rest and the divine presence. This extraordinary book also throws light upon the Christian use of the Old Testament categories. This second, revised edition brings the subject right up to date.
