Best known for his command of the psychological fantasy story, De Quincey produced stories of the curious and obscure, but always with the traditional Romantic emphasis on feeling. His masterwork, *Confessions of an English Opium Eater* (1821), stemmed from his own laudanum addiction, and was followed by *Suspiria de Profundis*, a collection of essays which continued to capture the same dark brilliance as in *Confessions*. The collection was originally published in fragmentary form, and remained unfinished upon De Quincey's death in 1859. This edition includes *The Affliction of Childhood*, a reflection on the death of the author's two sisters in childhood, *Levana and our Ladies of Sorrow*, one of his best-known works about the Roman goddess of childbirth, and *The English Mail-Coach*, on the grandeur and power of the English mail-coach system.
