### ***Reviews***

*Comprehensive guide! Its this type of very good read through. It is actually written in simple words and phrases rather than difficult to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.*

Oh, doctor, said he, do you see? I am smiling today. You are better, I reply. I am very well, dear doctor. I felt better the morning after your cauterization. That night I could sleep almost the whole night and with only few nightmares. Yesterday I tried to eat something else than yoghourt, and veal and a little bread were easily digested. But I desire one other cauterization and also high frequency. Other cauterizations for the regulation of stomach, bowels and liver on the 17th, 21st, 27th and 29th of January, 1919. At this date the patient had entirely recovered. His weight was 76 kg. The nightmares have ceased since the 27th of January. The digestion is good, without constipation or enteritis. All subjective sensations have vanished, and the patient said to me at each visit: Oh, doctor, I am ery pleased to live. The life is very beautiful, isn t it? This young man suffered from Grippe Espagnole during the first days of February, and notwithstanding a severe attack of that affection, his mind was always very good, and he always had the will and the certitude of a quick and complete recovery. In fact, when I saw him for the last time on the 3rd of March he was completely cured, and no symptom of his anterior neurasthenia was present. Obs. II. The second observation concerns a man 40 years old that I occasionally saw, having...
