

Border Vigils: Keeping Migrants Out of the Rich World

By Jeremy Harding

Verso Books. Paperback. Book Condition: new. BRAND NEW, Border Vigils: Keeping Migrants Out of the Rich World, Jeremy Harding, We are living in the great age of human migration. Some 200 million people alive today have moved from their countries of origin and, according to a recent international survey, as many as 700 million more would migrate if they could. The political reaction - in Europe no less than in the United States - has been to batten down the hatches. More than a million migrants have been expelled from the US during Barack Obama's administration, a record rate. Jeremy Harding's evocative reporting across Europe and on the US - Mexican border provides fascinating, haunting portraits of migrants, as well as less attractive and sometimes frightening profiles of the anti-immigrant zealots who oppose them. Equally unparalleled is Harding's comparative analysis of the failure, indeed, mirage of exclusionary policy in both Europe and the US.
