Createspace, United States, 2013. Paperback. Book Condition: New. annotated edition. 279 x 216 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The Marines in Vietnam, 1954-1973, An Anthology and Annotated Bibliography, based on articles that appeared in the U.S. Naval Institute Proceedings, Naval Review, and Marine Corps Gazette, has served well for 14 years as an interim reference on the Vietnam War. It has both complemented and supplemented our official histories on Marine operations in Vietnam. Since its publication in 1974, however, events in Vietnam and the appearance of additional significant articles in the three periodicals have made both the anthology and bibliography somewhat dated. This expanded edition extends the coverage of the anthology to 1975 and the entries in the bibliography to 1984.
