America Star Books, United States, 2015. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.There has never been a human being that traveled this road we call life without hitting some bumps, ruts, or even huge holes somewhere along that road. Yet, fortunately, included in every man s makeup is a mechanism that softens, or sometimes even helps eliminate, those rough spots in the road. That mechanism? Memory-the greatest tool ever to chase those doldrums away. If the road seems extra bumpy some days, think back to that slice of life when you wept with tears of happiness at a love expressed, or love received; at your children s successes or appreciations; at an association with a special person; a success that turned your life around-any positive slice of life that, in your memory, really makes it all worth while. Enclosed, find a few SLICES of my own. Kenley Reese was born and raised in Southern Utah-a very unbusy part of the world. His graduating class had 20 students. He graduated from Utah State University and taught for 26 years in Clark County, Nevada. He is married to Darlene Reber. They have 6 children, 7 grandchildren, and 4 great-grand children.
