SYSTEMIC RISK : MEASURES AND DETERMINANTS

Editorial Universidad de Cantabria, 2016. soft. Book Condition: New. This book studies the measurement and the determinants of systemic risk, paying special attention to the role of the Credit Default Swaps (CDSs) either as financial instruments containing valuable information about the soundness of the reference institutions or as a market whose distress contributes to potential systemic shocks on the economy. The measurement of systemic risk is addressed from two perspectives, aggregate and individual contribution to systemic risk where the former...
