Penguin Books Ltd. Paperback. Book Condition: new. BRAND NEW, Great Britain's Great War, Jeremy Paxman, Jeremy Paxman's magnificent history of the First World War tells the entire story of the war in one gripping narrative from the point of view of the British people. "If there is one new history of the war that you might actually enjoy this is very likely it". (The Times). "Lively, surprising and memorable". (Guardian). "A procession of fascinating details". (Prospect). "Paxman writes so well and sympathetically and he chooses his detail so deftly". (The Times). "Clever, laconic and racy". (Daily Telegraph). "A profoundly personal and thought-provoking new analysis of the Great War". (Mail on Sunday). "One is left with a better understanding of how the Great Britain that began the war became more like ordinary Britain by its end". (Sunday Times). "A judicious mix between individual stories and the bigger picture .engages the mind and emotions". (Daily Telegraph). "Particularly good in showing how much a modern perspective distorts our understanding". (Prospect). "Incisive, colourful. Paxman delves into every aspect of British life...
