Nova Science Publishers Inc. Paperback. Book Condition: new. BRAND NEW, In His Service: Educators Serving God and His Children, Matt Stephen, The Spirit of service is in trouble in America. The idea of service is not what it once was. Several decades of 'me-first' attitude have played havoc with the concept of service. This is unfortunate because God put us on this Earth to serve one another and to share His love. Educators are in the ideal profession to carry out God's will. It is the author's hope that this book will help educators mentally, emotionally and spiritually survive the difficult times, as well as celebrate and focus on the joys of the teaching profession. This book is divided into the months of the school year (August through June). The challenges and joys of each month of the school year are explored and celebrated. Because of the busy schedule most keep as educators, the format of this book is set up for approximately two readings per week.
