Donna Coco, United States, 2014. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.Making Coordinate Graphing Fun 2 is the second in the series. While practicing coordinate graphing skills, you will construct a picture. Practice plotting points with first quadrant graphs and four quadrant graphs while making pictures that you can determine are either correct or have an error. This book has full-size answer key pictures. Students have requested more graphs after my students completed my first book. I have included in this book the letters of the alphabet, numbers from 1-10, favorite activities, Olympic events, and more. I have enjoyed international sales with my first book, Making Coordinate Graphing Fun, which was mainly for teachers. Making Coordinate Graphing Fun 2 is for everyone!.
