Brand New Book ***** Print on Demand *****.The name Athens comes from the Greek goddess, Athena. Athens acquired this name through a legendary contest between Poseidon and Athena. Both Athena and Poseidon wanted to be patrons of the city and to give the city named after them. They competed with one another for the honour by each giving the city a gift. Poseidon made a spring appear by striking the ground with his trident, but Athena created an olive tree, the symbol of peace and prosperity. The Athenians, ruler Cecrops, decided in favor of the olive tree and named the city after Athena. Athens is truly an amazing place. From the Acropolis to the Temple of Zeus to the Olympic stadium and its colorful street markets, the city will be certain to captivate you and your child and draw you both into its spell. Photographer John D. Weigand and award winning writer, Penelope Dyan have again combined their skills to introduce you to the city that is Athens. Add your own stories and adventures to this book by inserting your tickets, postcards, pictures and other small items and affix them to these pages, because this is a book that is supposed to help you grow and learn. There are even some blank pages at the end of the book you can use, or you can make your own book! See if you can find everything in this book when you go to Athens, and then look around for more. If you aren t going to Athens, then use this book as a starting point and do some research on your computer (or in other books) to learn about this glorious city....
